

EXHAUST FINISH KIT WITH ECM

PART NUMBER: S2820.14C1

MSRP: \$399.99

- Fits 2014 and 2015 1190RX and 1190SX models
- Exhaust tips are for use when secondary muffler is removed.
- Brings out the rumble from the ET-V2 engine but leaves the catalytic converter in place.
- Comes with a pre-programmed ECM to match the change in exhaust configuration.

***FOR RACE USE ONLY – NOT FOR USE ON PUBLIC ROADS**

Do not use exhaust tips without installing the matching ECM as engine damage can occur.

CLUTCH ACTUATOR KIT

PART NUMBER X3086.1B7

MSRP \$149.99

- Fits 2014 1190RX and 1190SX models
- Lightens the clutch lever effort for 2014 EBR models
- Kit includes updated slave cylinder and piston with associated o-rings plus six clutch springs.
