**Re: Error Statement for Motorcycle Vehicle Identification Number (VIN)**

Please consider this document an ERROR STATEMENT regarding the following Vehicle Identification Number (VIN) which appears on 2017 EBR model 1190RX, VIN 546AAAG25HE000008.

The VIN permanently affixed on this motorcycle is 546AAAG25HE000008.

The correct VIN should have been 546AAAG23HE000008.

This is to clarify that the VIN affixed to this motorcycle is the actual VIN of the unit. A clerical error was made when assigning the check digit at the time the VIN was generated. The check digit is the ninth character in the seventeen character VIN. The Federal VIN Tag and Certificate of Origin all reflect this error.

This information has been submitted to the USDOT VIN Error Database. This database is available for law enforcement and State registration personnel to verify the VIN is valid.

A copy of this letter will be placed in the permanent record file of this unit at EBR Motorcycles LLC.

Please keep this letter with the motorcycle's Certificate of Origin and deliver it to the customer upon sale. The customer should keep this in a safe place with the vehicle's title for future reference, if the need arises.

This information has also been sent to:
